This diagram shows a cross-sectional view of a container assembly. A main container body (1) is shown with a dashed line indicating its internal structure. A lid (3) is positioned on top of the container. A central component (5) is mounted on the lid. This component is surrounded by a layer (13) and a layer (14), which are collectively labeled as 15. The central component (5) is also labeled with 4 and 6. The lid (3) is shown with a dashed line indicating its internal structure. The container body (1) is shown with a dashed line indicating its internal structure.
